

23 November 1962

MEMORANDUM FOR THE DIRECTOR

1. This is a reminder that you wish to touch base on the Donovan affair with the same Congressional leadership with whom you had previously discussed the matter.
2. The substance of Houston's memorandum to you on 20 November reporting on Donovan's telephone call and his press conference should be passed personally to the members of the Special Group, especially the Attorney General. I have asked the Executive Director to take care of this.
